Just take a Bus tour! Some people call it "seat-in-coach tour".

This is a great money-saving way to enjoy Beijing sightseeing with shared tour guide and comfortable tourist bus. Remember, it's a good way to make friends from all over the world and share different views on the same topic - Beijing, and China.

How: Before the tour starts, the bus and the tour guide will go to different hotels and pick up the tourists who book the same tour (it usually takes less than one hour). You will visit the tourist attractions on the list together, and share an licenced English speaking tour guide.
